

US Breaker, Inc.

Discount Program 2024

The following purchases qualify for a retroactive membership level discount from January 1st – December 31st, 2024.

Silver Level – 8% Discount

- Spend \$6,000 throughout the year or make a one-time purchase of \$2,500.

Gold Level – 15% Discount

- Spend \$12,000 throughout the year or make a one-time purchase of \$5,000.

Platinum Level – 23% Discount

- Spend \$22,000 throughout the year or make a one-time purchase of \$9,000.

Once an eligible 2024 discount level is activated, it may be applied for the remainder of 2024. Prior regular priced purchases will receive the same discount as a refund dating back to January 1, 2024.

Program Details:

- All discounts are based on the purchase of products with prices listed in the US Breaker Quick Selection Guide V-24.
- Purchase dates are considered the day of the credit card transaction or Net 30 payment. Net 30 accounts must remain in good standing in order to receive a retroactive rebate or discount.
- This program may not be combined with other discounts or offers.
- All discounts and rebates must be requested by contacting us before the end of 2024 as target levels are reached.
- US Breaker, Inc. reserves the right to modify program terms at their discretion.
